How will my ESC be recognized?

Youthpass is the instrument to recognize non-formal and informal learning outcomes gained through ESC. The Youthpass Certificate confirms and recognizes that the volunteer has carried out a service as a volunteer abroad. It also acknowledges that the volunteer has learned and developed during the voluntary service. Moreover, volunteers will receive four training courses (pre-departure, on-arrival, mid-term evaluation and final evaluation) during their voluntary

period. These training courses are in place to prepare, support, and evaluate the ESC experience.

Accommodation and Transport:

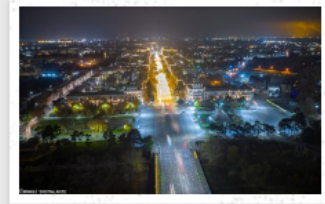

All the costs related to the accommodation will be supported by the hosting organization. The volunteer will share a flat with other volunteers situated in a housing estate - about 10 minutes walking distance from the town center. She/he will have a separate room. The flat is newly reconstructed and has good condition of living. There is a kitchen in the volunteer's flat where he/she can cook. Bathroom and kitchen will be common for all volunteers living in the flat. Shops, pharmacies and restaurants are close-by (5-10-minute walk).
